Warm greetings *from Punya Kshetras*

Begin with the temples of Jammu and Mother Vaishno Devi's darshan by helicopter, with a night at Bhawan and the Atka Aarti at the Holy Cave. Then fly into the Kashmir valley, the land of Kheer Bhawani, Shankaracharya and Martand, where Gulmarg's snow and Sonamarg's glaciers complete a pilgrimage that is as devotional as it is beautiful, in the association of ISKCON Hare Krishna devotees.

Punya Kshetras is the pilgrimage service of Hare Krishna Golden Temple, Banjara Hills, Hyderabad. Every yatra is led by devotees, with kirtan, japa and the glories of each holy place narrated along the way, sattvic food, careful planning and special attention to elders.

His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,
Founder-Acharya of ISKCON

> *The holy places all over the earth are meant for purifying the polluted consciousness of the human being by an atmosphere surcharged with the presence of the Lord's unalloyed devotees. If anyone visits a holy place, he must search out the pure devotees residing in such holy places, take lessons from them, try to apply such instructions in practical life and thus gradually prepare oneself for moksha.*
