Top actions

Passport expires 17 Sep 2028 - Most countries need 6 months validity -> practical last safe travel date ~17 Mar 2028. Start renewal ~Sep 2027. Passports issued in India are e-passports since 28 May 2025. Keep old passport: US & Australia visas stay valid but must be carried; tell Australia Home Affairs new passport number (ImmiAccount).

Schengen: no valid visa - Both France visas expired (Apr 2026). You now have 2 lawful visas in 3 years -> eligible for the EU 'cascade' 2-year multiple-entry visa. Apply 3 months before the next Europe yatra.

UK: no valid visa - UK visa expired 29 Dec 2024. Apply 3-4 weeks ahead; consider a 2-year or 5-year Standard Visitor visa if you will return often.

Australia: confirm stream - Visa is Business Visitor stream (condition 8115). A pilgrimage yatra with devotees may count as tourism - confirm whether to apply for a Tourist-stream visa.

Malaysia visa-free ends 31 Dec 2026 - Get visa/e-visa for any 2027 Malaysia yatra unless extended.

Thailand now 30 days (from 15 Sep 2026, reported) - Plan group stays accordingly; complete TDAC before arrival.

Sources and caveats

Travel history comes from the passport scan (faint stamps marked 'Check'). Entry rules come from secondary sources (Wikipedia table for Indian citizens, news, embassy PDFs) on 20 Oct 2026; some official pages (IRCC, Taiwan BOCA) would not load. Rules change often - confirm on the official portal before issuing tickets. Passport number is not reproduced in this report.
