Warm greetings *from Punya Kshetras*

Take Mother Vaishno Devi's darshan the gentle way. A short helicopter flight from Katra to Sanjichhat replaces the 13 km climb, so yatris of every age can reach the Holy Cave, stay overnight at Bhawan, and attend both the Evening and Morning Aarti. The yatra begins with the ancient temples of Jammu and ends with Banganga and Darshani Deodi at Katra, all in the association of ISKCON Hare Krishna devotees.

Punya Kshetras is the pilgrimage service of Hare Krishna Golden Temple, Banjara Hills, Hyderabad. Every yatra is led by devotees, with kirtan, japa and the glories of each holy place narrated along the way, sattvic food, careful planning and special attention to elders.

His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,
Founder-Acharya of ISKCON

> *The holy places all over the earth are meant for purifying the polluted consciousness of the human being by an atmosphere surcharged with the presence of the Lord's unalloyed devotees. If anyone visits a holy place, he must search out the pure devotees residing in such holy places, take lessons from them, try to apply such instructions in practical life and thus gradually prepare oneself for moksha.*
